## Work Experience

Freelance Developer

Remote | [Freelance Developer](#)

[Portfolio Website](#) | [YouTube Channel \(Demo Plugins\)](#)

- **Website Portfolio:**  
Built personal website using React, MUI components
- **Wix API:**
  - **Client:** EmranZiadat from Israel  
Integrated the Wix backend API, creation endpoints using JavaScript and testing using Postman, and developed the login workflow using C# in Visual Studio.
- **Custom Revit Plugins Development:**
  - **Client:** Various clients  
Developed multiple custom Revit plugins with tailored functionality based on different client needs.  
Created demo videos for some plugins, available on my YouTube channel, to showcase features and usability.
